Section 1 requires the Connecticut Agricultural Experiment Station (CAES) to submit a report on various issues related to sterile cultivars and does not result in a fiscal impact to CAES.

Section 2 makes a procedural change to the application process for certain solid waste and does not result in a fiscal impact to the state or municipalities.

Sections 3 and 4 awards additional housing unit-equivalent points for certain types of housing toward a moratorium under the affordable housing appeals procedure and expands the duration of a moratorium. This results in a potential savings to municipalities beginning in FY 27 for legal costs to the extent that more municipalities are awarded a moratorium, or a moratorium is extended.
