Explanation

The bill increases the annual per person cap for the Deaf Blind grant program administered by the Department of Aging and Disability Services (ADS) from \$10,000 to \$14,000 per person. Based on current per person grant spending, this is not anticipated to result in a fiscal impact to ADS¹.

The bill makes various other changes that have no fiscal impact including noticing requirements (sections 1, 3, 15), study and reporting requirements (2, 5, 9, 12, 13, 16), changes to the membership of certain groups (sections 4-7, 14), and technical and conforming changes (sections 8 and 10).

Senate "A" strikes the language and associated impact of the underlying bill and results in the fiscal impact noted above.
