SB-346

AN ACT CONCERNING THE MODIFICATIONS TO THE GOVERNOR'S WORKFORCE COUNCIL.

As Amended by Senate "A" (LCO 3987)

Senate Calendar No.: 81

OFA Fiscal Note

State Impact:

Various State Agencies	FF - Precludes Potential Revenue Loss	See Below	See Below

Note: FF=Federal Funds

Municipal Impact: None

Explanation

The bill precludes a potential revenue loss in federal funds to the state by modifying the membership to the Governor's Workforce Council. These modifications are necessary for the Council to comply with federal law. If the Council is not in compliance, the state's share of federal funding from the Workforce Innovation and Opportunities Act (WIOA) may potentially be delayed or eliminated.

On average the state receives \$30 million annually in WIOA federal funding that may be impacted. The impacted agencies include the Department of Labor, Office of Workforce Strategy, State Department of Education, and the Department of Aging and Disability Services.

Senate "A" has no fiscal impact by modifying the list of members of the Governor's Workforce Council from the underlying bill.
