CORRECTION

To Fiscal Note on
sHB-5379, File No. 147

AN ACT REQUIRING MEDICAL EMERGENCY DRILLS AT
CERTAIN CHILD CARE FACILITIES AND YOUTH CAMPS.

The fiscal note incorrectly includes a potential cost to municipalities beginning in FY 27 to the extent municipally run youth camps require additional resources for mandatory medical emergency drills (e.g., staff coverage) and these drills are not already occurring.

There is no fiscal impact to municipalities, as municipal youth camps are not licensed by the Office of Early Childcare (OEC), and therefore are exempt from the bill's drill requirement.
