CORRECTION

To Fiscal Note on
sHB-5476, File No. 389

AN ACT CONCERNING OVERSIGHT OF EFFORTS TO PREVENT
HUMAN TRAFFICKING.

The fiscal note incorrectly attributed a cost of up to \$125,000 to the Department of Children and Families (DCF) in FY 27 (and annually thereafter) to provide required human trafficking training to all employees and contracted providers (Section 4).

There is no cost associated with the new mandatory trainings, as the agency anticipates providing an existing free online training to meet the requirements of the bill.
