419 (2) (A) As used in this subdivision, "grandfathered plan" has the same

420 meaning as "grandfathered health plan" as provided in the Patient  
421 Protection and Affordable Care Act, P.L. 111-148, as amended from time  
422 to time.

423 (B) With respect to grandfathered plans issued to small employers,  
424 except as a member of an association of small employers, the premium  
425 rates charged or offered shall be established on the basis of a single pool  
426 of all grandfathered plans, adjusted to reflect one or more of the  
427 following classifications:

428 (i) Age, provided age brackets of less than five years shall not be  
429 utilized;

430 (ii) Gender;

431 (iii) Geographic area, provided an area smaller than a county shall  
432 not be utilized;

433 (iv) Industry, provided the rate factor associated with any industry  
434 classification shall not vary from the arithmetic average of the highest  
435 and lowest rate factors associated with all industry classifications by  
436 greater than fifteen per cent of such average, and provided further, the  
437 rate factors associated with any industry shall not be increased by more  
438 than five per cent per year;

439 (v) Group size, provided the highest rate factor associated with group  
440 size shall not vary from the lowest rate factor associated with group size  
441 by a ratio of greater than 1.25 to 1.0;

442 (vi) Administrative cost savings resulting from the administration of  
443 an association group plan or a plan written pursuant to section 5-259,  
444 provided the savings reflect a reduction to the small employer carrier's  
445 overall retention that is measurable and specifically realized on items  
446 such as marketing, billing or claims paying functions taken on directly  
447 by the plan administrator or association, except that such savings may  
448 not reflect a reduction realized on commissions;

449 (vii) Savings resulting from a reduction in the profit of a carrier that

450 writes small business plans or arrangements for an association group  
451 plan or a plan written pursuant to section 5-259, provided any loss in  
452 overall revenue due to a reduction in profit is not shifted to other small  
453 employers; and

454 (viii) Family composition, provided the small employer carrier shall  
455 utilize only one or more of the following billing classifications: (I)  
456 Employee; (II) employee plus family; (III) employee and spouse; (IV)  
457 employee and child; (V) employee plus one dependent; and (VI)  
458 employee plus two or more dependents.

459 (C) (i) With respect to nongrandfathered plans issued to small  
460 employers, except as a member of an association of small employers, the  
461 premium rates charged or offered shall be established on the basis of a  
462 single pool of all nongrandfathered plans, adjusted to reflect one or  
463 more of the following classifications:

464 (I) Age, in accordance with a uniform age rating curve established by  
465 the commissioner; or

466 (II) Geographic area, as defined by the commissioner.

467 (ii) Total premium rates for family coverage for nongrandfathered  
468 plans shall be determined by adding the premiums for each individual  
469 family member, except that with respect to family members under  
470 twenty-one years of age, the premiums for only the three oldest covered  
471 children shall be taken into account in determining the total premium  
472 rate for such family.

473 (iii) Premium rates for employees and dependents for  
474 nongrandfathered plans shall be calculated for each covered individual  
475 and premium rates for the small employer group shall be calculated by  
476 totaling the premiums attributable to each covered individual.

477 (iv) Premium rates for any given plan may vary by (I) actuarially  
478 justified differences in plan design, and (II) actuarially justified amounts  
479 to reflect the policy's provider network and administrative expense

480 differences that can be reasonably allocated to such policy.

481 (3) No small employer carrier or producer shall, directly or indirectly,  
482 engage in the following activities:

483 (A) Encouraging or directing small employers to refrain from filing  
484 an application for coverage with the small employer carrier because of  
485 the health status, claims experience, industry, occupation or geographic  
486 location of the small employer, except the provisions of this  
487 subparagraph shall not apply to information provided by a small  
488 employer carrier or producer to a small employer regarding the carrier's  
489 established geographic service area or a restricted network provision of  
490 a small employer carrier; or

491 (B) Encouraging or directing small employers to seek coverage from  
492 another carrier because of the health status, claims experience, industry,  
493 occupation or geographic location of the small employer.

494 (4) No small employer carrier shall, directly or indirectly, enter into  
495 any contract, agreement or arrangement with a producer that provides  
496 for or results in the compensation paid to a producer for the sale of a  
497 health benefit plan to be varied because of the health status, claims  
498 experience, industry, occupation or geographic area of the small  
499 employer. A small employer carrier shall provide reasonable  
500 compensation, as provided under the plan of operation of the program,  
501 to a producer, if any, for the sale of a health care plan. No small  
502 employer carrier shall terminate, fail to renew or limit its contract or  
503 agreement of representation with a producer for any reason related to  
504 the health status, claims experience, occupation, or geographic location  
505 of the small employers placed by the producer with the small employer  
506 carrier.

507 (5) No small employer carrier or producer shall induce or otherwise  
508 encourage a small employer to separate or otherwise exclude an  
509 employee from health coverage or benefits provided in connection with  
510 the employee's employment.

511 (6) No small employer carrier or producer shall disclose (A) to a small  
512 employer the fact that any or all of the eligible employees of such small  
513 employer have been or will be reinsured with the pool, or (B) to any  
514 eligible employee or dependent the fact that he has been or will be  
515 reinsured with the pool.

516 (7) If a small employer carrier enters into a contract, agreement or  
517 other arrangement with another party to provide administrative,  
518 marketing or other services related to the offering of health benefit plans  
519 to small employers in this state, the other party shall be subject to the  
520 provisions of this section.

521 (8) The commissioner may adopt regulations, in accordance with the  
522 provisions of chapter 54, setting forth additional standards to provide  
523 for the fair marketing and broad availability of health benefit plans to  
524 small employers.

525 (9) Any violation of subdivisions (3) to (7), inclusive, of this section  
526 and of any regulations established under subdivision (8) of this section  
527 shall be an unfair and prohibited practice under sections 38a-815 to 38a-  
528 830, inclusive.

529 Sec. 5. Subsection (a) of section 38a-9 of the 2026 supplement to the  
530 general statutes is repealed and the following is substituted in lieu  
531 thereof (*Effective January 1, 2027*):

532 (a) Notwithstanding the provisions of section 4-8, there shall be a  
533 Division of Consumer Affairs within the Insurance Department, which  
534 division shall act on the Insurance Commissioner's behalf and at his  
535 direction in order to carry out his responsibilities under this title with  
536 respect to such matters. The division shall receive and review  
537 complaints from residents of this state concerning their insurance  
538 problems and problems arising out of health benefit plans, as defined in  
539 section 2 of this act, including claims disputes, and serve as a mediator  
540 in such disputes in order to assist the commissioner in determining  
541 whether statutory requirements and contractual obligations within the  
542 commissioner's jurisdiction have been fulfilled. There shall be a director

543 of said division, who shall be provided with sufficient staff. The division  
544 shall serve to coordinate all appropriate facilities in the department in  
545 addressing such complaints, and conduct any outreach programs  
546 deemed necessary to properly inform and educate the public on  
547 insurance matters. The director shall submit quarterly reports to the  
548 commissioner, which shall state the number of complaints received by  
549 the division in such calendar quarter, the Connecticut premium or  
550 premium equivalent volume of the appropriate line of each insurance  
551 company or self-funded multiple employer welfare arrangement trust,  
552 as defined in section 2 of this act, against which a complaint has been  
553 filed, the types of complaints received, and the number of such  
554 complaints which have been resolved. Such reports shall be published  
555 every six months and copies shall be made available to any interested  
556 resident of this state upon request. The commissioner shall report, in  
557 accordance with section 11-4a, to the joint standing committee of the  
558 General Assembly having cognizance of matters relating to insurance  
559 on or before January fifteenth annually, concerning the findings of such  
560 reports and suggestions for legislative initiatives to address recurring  
561 problems.

562 Sec. 6. Section 38a-14 of the general statutes is repealed and the  
563 following is substituted in lieu thereof (*Effective January 1, 2027*):

564 (a) For the purposes of this section, "company" means any insurance  
565 company, self-funded multiple employer welfare arrangement trust, as  
566 defined in section 2 of this act, or health care center doing business in  
567 this state, any corporation or association collecting data utilized by any  
568 such insurance company in the underwriting of insurance policies and  
569 any corporation organized under any law of this state or having an  
570 office in this state, which corporation is engaged in, or claiming or  
571 advertising that it is engaged in, organizing or receiving subscriptions  
572 for or disposing of stock of, or in any manner aiding or taking part in  
573 the formation or business of, an insurance company or companies, or  
574 that is holding the capital stock of one or more insurance corporations  
575 for the purpose of controlling the management thereof, as voting  
576 trustees or otherwise.

577 (b) The commissioner shall, as often as the commissioner deems it  
578 expedient, examine into the affairs of any company. In scheduling and  
579 determining the nature, scope and frequency of the examinations, the  
580 commissioner shall consider such matters as the results of financial  
581 statement analyses and ratios, changes in management or ownership,  
582 actuarial opinions, reports of independent certified public accountants  
583 and such other criteria as set forth in the examiners' handbook adopted  
584 by the National Association of Insurance Commissioners and in effect  
585 at the time the commissioner exercises discretion under this section.

586 (c) (1) To carry out examinations under this section, the commissioner  
587 may appoint one or more competent persons as examiners, who shall  
588 not be officers of, connected with or interested in any company, other  
589 than as policyholders. The commissioner may engage the services of  
590 attorneys, appraisers, independent actuaries, independent certified  
591 public accountants or other professionals and specialists as examiners  
592 to assist the commissioner in conducting the examinations under this  
593 section, the cost of which shall be borne by the company that is the  
594 subject of the examination.

595 (2) In conducting the examination, the commissioner, the  
596 commissioner's actuary or any examiner authorized by the  
597 commissioner may examine, under oath, the officers and agents of such  
598 a company, and all persons deemed to have material information  
599 regarding the company's property or business. Each such company or  
600 its officers and agents shall produce the books and papers in its or their  
601 possession, relating to its business or affairs, and any other person may  
602 be required to produce any book or paper in such person's custody that  
603 is deemed to be relevant to such examination, for inspection by the  
604 commissioner, the commissioner's actuary or examiners. The officers  
605 and agents of the company shall facilitate the examination and aid the  
606 examiners in making the same so far as it is in their power to do so. The  
607 refusal of any company, by its officers, directors, employees or agents,  
608 to submit to examination or to comply with any reasonable written  
609 request of the examiners shall be grounds for suspension of, refusal of  
610 or nonrenewal of any license or authority held by the company to

611 engage in an insurance or other business subject to the commissioner's  
612 jurisdiction. Any such proceedings for suspension, revocation or refusal  
613 of any license or authority shall be conducted pursuant to subsection (c)  
614 of section 38a-41.

615 (3) In conducting the examination, the examiner shall observe those  
616 guidelines and procedures set forth in the examiners' handbook  
617 adopted by the National Association of Insurance Commissioners. The  
618 commissioner may also adopt such other guidelines or procedures as  
619 the commissioner may deem appropriate.

620 (d) In lieu of an examination under this section of any foreign or alien  
621 insurer licensed in this state, the commissioner may accept an  
622 examination report on such insurer prepared by the insurance  
623 department for the insurer's state of domicile or port-of-entry state if (1)  
624 such state's insurance department was, at the time of the examination,  
625 accredited under the National Association of Insurance Commissioners'  
626 financial regulation standards and accreditation program, or (2) the  
627 examination is performed under the supervision of an accredited  
628 insurance department or with the participation of one or more  
629 examiners who are employed by such an accredited state insurance  
630 department and who, after a review of the examination workpapers and  
631 report, state under oath that the examination was performed in a  
632 manner consistent with the standards and procedures required by their  
633 insurance department.

634 (e) (1) Nothing contained in this section shall be construed to limit the  
635 commissioner's authority to terminate or suspend any examination in  
636 order to pursue legal or regulatory action pursuant to the insurance  
637 laws of this state. Findings of fact and conclusions made pursuant to any  
638 examination shall be prima facie evidence in any legal or regulatory  
639 action.

640 (2) Nothing contained in this section shall be construed to limit the  
641 commissioner's authority in such legal or regulatory action to use and,  
642 if appropriate, to make public any final or preliminary examination

643 report, any examiner or company workpapers or other documents, or  
644 any other information discovered or developed during the course of any  
645 examination.

646 (3) Not later than sixty days following completion of the examination,  
647 the examiner in charge shall file, under oath, with the Insurance  
648 Department a verified written report of examination. Upon receipt of  
649 the verified report, the Insurance Department shall transmit the report  
650 to the company examined, together with a notice that shall afford the  
651 company examined a reasonable opportunity, not to exceed thirty days,  
652 to make a written submission or rebuttal with respect to any matters  
653 contained in the examination report. Not later than thirty days after the  
654 period allowed for the receipt of written submissions or rebuttals, the  
655 commissioner shall fully consider and review the report, together with  
656 any written submissions or rebuttals and any relevant portions of the  
657 examiner's workpapers and enter an order: (A) Adopting the  
658 examination report as filed or with modification or corrections. If the  
659 examination report reveals that the company is operating in violation of  
660 any law, regulation or prior order of the commissioner, the  
661 commissioner may order the company to take any action the  
662 commissioner considers necessary and appropriate to cure such  
663 violation; (B) rejecting the examination report with directions to the  
664 examiners to reopen the examination for purposes of obtaining  
665 additional data, documentation or information, and refile pursuant to  
666 this subdivision; or (C) calling for an investigatory hearing with not less  
667 than twenty days' notice to the company for purposes of obtaining  
668 additional documentation, data, information and testimony.

669 (4) (A) The commissioner shall transmit the examination report  
670 adopted pursuant to subparagraph (A) of subdivision (3) of this  
671 subsection or a summary thereof to the company examined, together  
672 with any recommendations or written statements from the  
673 commissioner or the examiner. The secretary of the board of directors or  
674 similar governing body of the company shall provide a copy of the  
675 report or summary to each director and shall certify to the  
676 commissioner, in writing, that a copy of the report or summary has been

677 provided to each director.

678 (B) Not later than one hundred twenty days after receiving the report  
679 or summary, the chief executive officer or the chief financial officer of  
680 the company examined shall present the report or summary to the  
681 company's board of directors or similar governing body at a regular or  
682 special meeting.

683 (f) (1) All orders entered pursuant to subdivision (3) of subsection (e)  
684 of this section shall be accompanied by findings and conclusions  
685 resulting from the commissioner's consideration and review of the  
686 examination report, relevant examiner workpapers and any written  
687 submissions or rebuttals. The findings and conclusions that form the  
688 basis of any such order of the commissioner shall be subject to review as  
689 provided in section 38a-19.

690 (2) Any investigatory hearing conducted under subparagraph (C) of  
691 subdivision (3) of subsection (e) of this section by the commissioner or  
692 the commissioner's authorized representative, shall be conducted as a  
693 nonadversarial confidential investigatory proceeding as necessary for  
694 the resolution of any inconsistencies, discrepancies or disputed issues  
695 apparent (A) upon the filed examination report, (B) raised by or as a  
696 result of the commissioner's review of relevant workpapers, or (C) by  
697 the written submission or rebuttal of the company. Not later than  
698 twenty days after the conclusion of any such hearing, the commissioner  
699 shall enter an order pursuant to subparagraph (A) of subdivision (3) of  
700 subsection (e) of this section. The commissioner shall not appoint an  
701 examiner as an authorized representative to conduct the hearing. The  
702 hearing shall proceed expeditiously with discovery by the company  
703 limited to the examiner's workpapers that tend to substantiate any  
704 assertions set forth in any written submission or rebuttal. The  
705 commissioner or the commissioner's authorized representative may  
706 issue subpoenas for the attendance of any witnesses or the production  
707 of any documents deemed relevant to the investigation, whether under  
708 the control of the department, the company or other persons. The  
709 documents produced shall be included in the record and testimony

710 taken by the commissioner or the commissioner's authorized  
711 representative shall be under oath and preserved for the record.  
712 Nothing contained in this section shall require the department to  
713 disclose any information or records that would indicate or show the  
714 existence or content of any investigation or activity of a criminal justice  
715 agency. The hearing shall proceed with the commissioner or the  
716 commissioner's authorized representative posing questions to the  
717 persons subpoenaed. Thereafter, the company and the Insurance  
718 Department may present testimony relevant to the investigation. Cross-  
719 examination shall be conducted only by the commissioner or the  
720 commissioner's authorized representative. The company and the  
721 Insurance Department shall be permitted to make closing statements  
722 and may be represented by counsel of their choice.

723 (g) The commissioner may, if the commissioner deems it in the public  
724 interest, publish any such report, or the result of any such examination  
725 contained therein, in one or more newspapers of the state.

726 (h) The commissioner shall, at least once in every five years, visit and  
727 examine the affairs of each domestic insurer, domestic health care  
728 center, domestic fraternal benefit society, self-funded multiple  
729 employer welfare arrangement trust, as defined in section 2 of this act,  
730 and foreign and alien insurer doing business in this state.  
731 Notwithstanding subdivision (1) of subsection (c) of this section, no  
732 domestic insurer or such other domestic entity subject to examination  
733 under this section shall pay as costs associated with the examination the  
734 salaries, fringe benefits or travel and maintenance expenses of  
735 examining personnel of the Insurance Department engaged in such  
736 examination if such domestic insurer or domestic entity is otherwise  
737 liable to assessment levied under section 38a-47, except that a domestic  
738 insurer or such other domestic entity shall pay the travel and  
739 maintenance expenses of examining personnel of the Insurance  
740 Department when such insurer or entity is examined outside the state.

741 (i) Nothing contained in this section shall prevent or be construed as  
742 prohibiting the commissioner from disclosing the content of an

743 examination report, preliminary examination report or results, or any  
744 matter relating thereto, to the Insurance Department of this or any other  
745 state or country, or to law enforcement officials of this or any other state  
746 or to any agency of the federal government at any time, so long as such  
747 agency or office receiving the report or matters relating thereto agrees,  
748 in writing, to hold such report and matters relating thereto confidential.

749 (j) All workpapers, recorded information, documents and copies  
750 thereof produced by, obtained by or disclosed to the commissioner or  
751 any other person in the course of an examination made under this  
752 section shall be confidential, shall not be subject to subpoena and shall  
753 not be made public by the commissioner or any other person, except to  
754 the extent provided in subsection (i) of this section. The commissioner  
755 may grant access to such workpapers, recorded information, documents  
756 and copies thereof to the National Association of Insurance  
757 Commissioners, provided said association agrees, in writing, to hold  
758 such workpapers, recorded information, documents and copies thereof  
759 confidential.

760 (k) (1) The commissioner may from time to time engage, on an  
761 individual basis, the services of qualified actuaries, certified public  
762 accountants or other similar individuals who are independently  
763 practicing their professions, even though said persons may from time to  
764 time be similarly employed or retained by persons subject to  
765 examination under this section.

766 (2) No cause of action shall arise nor shall any liability be imposed  
767 against the commissioner, the commissioner's authorized  
768 representatives or any examiner appointed by the commissioner for any  
769 statements made or conduct performed in good faith while carrying out  
770 the provisions of this section.

771 (3) No cause of action shall arise, nor shall any liability be imposed  
772 against any person for the act of communicating or delivering  
773 information or data to the commissioner or the commissioner's  
774 authorized representative examiner pursuant to an examination made

775 under this section, if such act of communication or delivery was  
776 performed in good faith and without fraudulent intent or the intent to  
777 deceive.

778 (4) This section shall not abrogate or modify in any way any common  
779 law or statutory privilege or immunity heretofore enjoyed by any  
780 person identified in subdivision (2) of this subsection.

781 (5) A person identified in subdivision (2) of this subsection shall be  
782 entitled to an award of attorney's fees and costs if such person is the  
783 prevailing party in a civil action for libel, slander or any other relevant  
784 tort arising out of activities in carrying out the provisions of this section  
785 and the party bringing the action was not substantially justified in doing  
786 so. For purposes of this section, a proceeding is "substantially justified"  
787 if it had a reasonable basis in law or fact at the time that it was initiated.

788 Sec. 7. Section 38a-15 of the general statutes is repealed and the  
789 following is substituted in lieu thereof (*Effective January 1, 2027*):

790 (a) The commissioner shall, as often as the commissioner deems it  
791 expedient, undertake a market conduct examination of the affairs of any  
792 insurance company, health care center, self-funded multiple employer  
793 welfare arrangement trust, as defined in section 2 of this act, third-party  
794 administrator, as defined in section 38a-720, or fraternal benefit society  
795 doing business in this state. Any such examination may be conducted in  
796 accordance with the procedures and definitions set forth in the National  
797 Association of Insurance Commissioners' Market Regulation  
798 Handbook.

799 (b) To carry out the examinations under this section, the  
800 commissioner may appoint, as market conduct examiners, one or more  
801 competent persons, who shall not be officers of, or connected with or  
802 interested in, any insurance company, health care center, self-funded  
803 multiple employer welfare arrangement trust, third-party administrator  
804 or fraternal benefit society, other than as a policyholder. In conducting  
805 the examination, the commissioner, the commissioner's actuary or any  
806 examiner authorized by the commissioner may examine, under oath,

807 the officers and agents of such insurance company, health care center,  
808 self-funded multiple employer welfare arrangement trust, third-party  
809 administrator or fraternal benefit society and all persons deemed to  
810 have material information regarding the company's, center's, self-  
811 funded multiple employer welfare arrangement trust's, administrator's  
812 or society's property or business. Each such company, center, self-  
813 funded multiple employer welfare arrangement trust, administrator or  
814 society, its officers and agents, shall produce the books and papers, in  
815 its or their possession, relating to its business or affairs, and any other  
816 person may be required to produce any book or paper in such person's  
817 custody, deemed to be relevant to the examination, for the inspection of  
818 the commissioner, the commissioner's actuary or examiners, when  
819 required. The officers and agents of the company, center, self-funded  
820 multiple employer welfare arrangement trust, administrator or society  
821 shall facilitate the examination and aid the examiners in making the  
822 same so far as it is in their power to do so.

823 (c) Each market conduct examiner shall make a full and true report  
824 of each market conduct examination made by such examiner, which  
825 shall comprise only facts appearing upon the books, papers, records or  
826 documents of the examined company, center, self-funded multiple  
827 employer welfare arrangement trust, administrator or society or  
828 ascertained from the sworn testimony of its officers or agents or of other  
829 persons examined under oath concerning its affairs. The examiner's  
830 report shall be presumptive evidence of the facts therein stated in any  
831 action or proceeding in the name of the state against the company,  
832 center, self-funded multiple employer welfare arrangement trust,  
833 administrator or society, its officers or agents. The commissioner shall
