75           **RECOGNITION OF EMERGENCY MEDICAL SERVICES**  
76           **PERSONNEL LICENSURE INTERSTATE COMPACT**

77                           **SECTION 1. PURPOSE**

78           In order to protect the public through verification of competency and  
79           ensure accountability for patient care related activities, all states license  
80           emergency medical services (EMS) personnel, such as emergency  
81           medical technicians (EMTs), advanced EMTs and paramedics. This  
82           compact is intended to facilitate the day-to-day movement of EMS  
83           personnel across state boundaries in the performance of their EMS  
84           duties as assigned by an appropriate authority and authorize state EMS  
85           offices to afford immediate legal recognition to EMS personnel licensed  
86           in a member state.

87           This compact recognizes that states have a vested interest in  
88           protecting the public's health and safety through their licensing and  
89           regulation of EMS personnel and that such state regulation shared  
90           among the member states will best protect public health and safety. This  
91           compact is designed to achieve the following purposes and objectives:

96           personnel licensure and regulation;

97           (4) Support licensing of military members who are separating from  
98           an active-duty tour and their spouses;

99           (5) Facilitate the exchange of information between member states  
100           regarding EMS personnel licensure, adverse action and significant  
101           investigatory information;

102           (6) Promote compliance with the laws governing EMS personnel

105 accountable through the mutual recognition of member state licenses.

225 Commission.

226 (e) If an individual's license in any home state is restricted or  
227 suspended, the individual shall not be eligible to practice in a remote  
228 state under the privilege to practice until the individual's home state  
229 license is restored.

230 (f) If an individual's privilege to practice in any remote state is  
231 restricted, suspended or revoked, the individual shall not be eligible to

264 valid and unrestricted NREMT certification at or above the level of the  
265 state license being sought as satisfying the minimum training and  
266 examination requirements for such licensure.

267 (b) Member states shall expedite the processing of licensure  
268 applications submitted by veterans, active military service members

269 and members of the National Guard and Reserve separating from an  
270 active-duty tour, and their spouses.

271 (c) All individuals functioning with a privilege to practice under this  
272 section shall remain subject to the adverse actions provisions of section  
273 8 of this compact.

280 license is restored.

281 (1) All home state adverse action orders shall include a statement that

285 authority.

286 (2) An individual currently subject to adverse action in the home state

295 privilege to practice within that state.

296 (e) Any member state may take adverse action against an individual's

297 privilege to practice in that state based on the factual findings of another  
298 member state, so long as each state follows its own procedures for  
299 imposing such adverse action.

300 (f) A home state's EMS authority shall investigate and take  
301 appropriate action with respect to reported conduct in a remote state as  
302 it would if such conduct had occurred within the home state. In such  
303 cases, the home state's law shall control in determining the appropriate  
304 adverse action.

305 (g) Nothing in this compact shall override a member state's decision  
306 that participation in an alternative program may be used in lieu of  
307 adverse action and that such participation shall remain nonpublic if  
308 required by the member state's laws. Member states shall require  
309 individuals who enter any alternative programs to agree not to practice  
310 in any other member state during the term of the alternative program  
311 without prior authorization from such other member state.

312 **SECTION 9. ADDITIONAL POWERS INVESTED IN A**

315 granted under state law, is authorized under this compact to:

316 (1) Issue subpoenas for both hearings and investigations that require  
317 the attendance and testimony of witnesses and the production of  
318 evidence. Subpoenas issued by a member state's EMS authority for the  
319 attendance and testimony of witnesses or the production of evidence  
320 from another member state shall be enforced in the remote state by any  
321 court of competent jurisdiction according to that court's practice and  
322 procedure in considering subpoenas issued in its own proceedings. The  
323 issuing state's EMS authority shall pay any witness fees, travel expenses,  
324 mileage and other fees required by the service statutes of the state where  
325 the witnesses or evidence are located; and

326 (2) Issue cease and desist orders to restrict, suspend or revoke an

327 individual's privilege to practice in the state.

328           **SECTION 10. ESTABLISHMENT OF THE INTERSTATE**

330           (a) The compact states hereby create and establish a joint public  
331 agency known as the Interstate Commission for EMS Personnel Practice.

332           (1) The Commission is a body politic and an instrumentality of the  
333 compact states.

334           (2) Venue is proper and judicial proceedings by or against the  
335 Commission shall be brought solely and exclusively in a court of  
336 competent jurisdiction where the principal office of the Commission is  
337 located. The Commission may waive venue and jurisdictional defenses  
338 to the extent it adopts or consents to participate in alternative dispute  
339 resolution proceedings.

340           (3) Nothing in this compact shall be construed to be a waiver of  
341 sovereign immunity.

342           **(b) Membership, voting and meetings**

344 responsible official of the state EMS authority, or such official's

346 Any delegate may be removed or suspended from office as provided by  
347 the law of the state from which the delegate is appointed. Any vacancy  
348 occurring in the Commission shall be filled in accordance with the laws  
349 of the member state in which the vacancy exists. In the event that more  
350 than one board, office or other agency with the legislative mandate to  
351 license EMS personnel at and above the level of EMT exists, the  
352 governor of the state shall determine which entity will be responsible  
353 for assigning the delegate.

354           (2) Each delegate shall be entitled to one vote with regard to the  
355 promulgation of rules and creation of bylaws and shall otherwise have

356 an opportunity to participate in the business and affairs of the  
357 Commission. A delegate shall vote in person or by such other means as  
358 provided in the bylaws. The bylaws may provide for delegates'  
359 participation in meetings by telephone or other means of  
360 communication.

361 (3) The Commission shall meet at least once during each calendar  
362 year. Additional meetings shall be held as set forth in the bylaws.

363 (4) All meetings shall be open to the public, and public notice of  
364 meetings shall be given in the same manner as required under the  
365 rulemaking provisions in section 12 of this compact.

366 (5) The Commission may convene in a closed, nonpublic meeting if  
367 the Commission intends to discuss:

368 (A) Noncompliance of a member state with its obligations under the  
369 compact;

370 (B) The employment, compensation, discipline or other personnel  
371 matters, practices or procedures related to specific employees or other

378 (F) Disclosure of trade secrets or commercial or financial information  
379 that is privileged or confidential;

380 (G) Disclosure of information of a personal nature where disclosure  
381 would constitute a clearly unwarranted invasion of personal privacy;

382 (H) Disclosure of investigatory records compiled for law enforcement

383 purposes;

384 (I) Disclosure of information related to any investigatory reports  
385 prepared by or on behalf of or for use of the Commission or other  
386 committee charged with responsibility of investigation or determination  
387 of compliance issues pursuant to the compact; or

388 (J) Matters specifically exempted from disclosure by federal or  
389 member state statute.

390 (6) If a meeting, or portion of a meeting, is closed pursuant to this  
391 provision, the Commission's legal counsel or designee shall certify that  
392 the meeting may be closed and shall reference each relevant exempting  
393 provision. The Commission shall keep minutes that fully and clearly  
394 describe all matters discussed in a meeting and shall provide a full and  
395 accurate summary of actions taken, and the reasons therefor, including  
396 a description of the views expressed. All documents considered in  
397 connection with an action shall be identified in such minutes. All  
398 minutes and documents of a closed meeting shall remain under seal,  
399 subject to release by a majority vote of the Commission or order of a  
400 court of competent jurisdiction.

401 (c) (1) The Commission shall, by a majority vote of the delegates,  
402 prescribe bylaws or rules to govern its conduct as may be necessary or  
403 appropriate to carry out the purposes and exercise the powers of the  
404 compact, including, but not limited to:

405 (A) Establishing the fiscal year of the Commission;

406 (B) Providing reasonable standards and procedures (i) for the  
407 establishment and meetings of other committees, and (ii) governing any

411 meetings of the Commission, ensuring reasonable advance notice of all

412 meetings and providing an opportunity for attendance of such meetings  
413 by interested parties, with enumerated exceptions designed to protect  
414 the public's interest, the privacy of individuals and proprietary  
415 information, including trade secrets. The Commission may meet in  
416 closed session only after a majority of the membership votes to close a

420 (D) Establishing the titles, duties and authority and reasonable  
421 procedures for the election of the officers of the Commission;

422 (E) Providing reasonable standards and procedures for the  
423 establishment of the personnel policies and programs of the

426 policies and programs of the Commission;

427 (F) Promulgating a code of ethics to address permissible and  
428 prohibited activities of Commission members and employees; and

429 (G) Providing a mechanism for winding up the operations of the  
430 Commission and the equitable disposition of any surplus funds that  
431 may exist after the termination of the compact after the payment or  
432 reserving of all of its debts and obligations.

433 (2) The Commission shall publish its bylaws and file a copy thereof,  
434 and a copy of any amendment thereto, with the appropriate agency or  
435 officer in each of the member states, if any.

436 (3) The Commission shall maintain its financial records in accordance  
437 with the bylaws.

438 (4) The Commission shall meet and take such actions as are consistent  
439 with the provisions of this Compact and the bylaws.

440 (d) The Commission shall have the following powers:

441 (1) The authority to promulgate uniform rules to facilitate and  
442 coordinate implementation and administration of this compact. The  
443 rules shall have the force and effect of law and shall be binding in all  
444 member states;

445 (2) To bring and prosecute legal proceedings or actions in the name  
446 of the Commission, provided that the standing of any state EMS  
447 authority or other regulatory body responsible for EMS personnel

449 (3) To purchase and maintain insurance and bonds;

450 (4) To borrow, accept or contract for services of personnel, including,  
451 but not limited to, employees of a member state;

452 (5) To hire employees, elect or appoint officers, fix compensation,  
453 define duties and grant such individuals appropriate authority to carry  
454 out the purposes of the compact and to establish the Commission's  
455 personnel policies and programs relating to conflicts of interest,  
456 qualifications of personnel and other related personnel matters;

457 (6) To accept any and all appropriate donations and grants of money,  
458 equipment, supplies, materials and services and to receive, utilize and  
459 dispose of the same, provided at all times the Commission shall strive  
460 to avoid any appearance of impropriety or conflict of interest;

461 (7) To lease, purchase, accept appropriate gifts or donations of or  
462 otherwise to own, hold, improve or use any property, real, personal or  
463 mixed, provided at all times the Commission shall strive to avoid any  
464 appearance of impropriety;

465 (8) To sell, convey, mortgage, pledge, lease, exchange, abandon or  
466 otherwise dispose of any property, real, personal or mixed;

467 (9) To establish a budget and make expenditures;

472 interested persons as may be designated in this compact and the bylaws;

473 (12) To provide and receive information from, and to cooperate with,  
474 law enforcement agencies;

475 (13) To adopt and use an official seal; and

476 (14) To perform such other functions as may be necessary or  
477 appropriate to achieve the purposes of this compact consistent with the  
478 state regulation of EMS personnel licensure and practice.

479 **(e) Financing of the Commission**

480 (1) The Commission shall pay, or provide for the payment of, the  
481 reasonable expenses of its establishment, organization and ongoing  
482 activities.

483 (2) The Commission may accept any and all appropriate revenue  
484 sources, donations and grants of money, equipment, supplies, materials  
485 and services.

486 (3) The Commission may levy on and collect an annual assessment  
487 from each member state or impose fees on other parties to cover the cost  
488 of the operations and activities of the Commission and its staff, which  
489 shall be in a total amount sufficient to cover its annual budget as  
490 approved each year for which revenue is not provided by other sources.  
491 The aggregate annual assessment amount shall be allocated based upon  
492 a formula to be determined by the Commission, which shall promulgate  
493 a rule binding upon all member states.

494 (4) The Commission shall not incur obligations of any kind prior to  
495 securing the funds adequate to meet the same, nor shall the Commission  
496 pledge the credit of any of the member states, except by and with the  
497 authority of the member state.

498 (5) The Commission shall keep accurate accounts of all receipts and  
499 disbursements. The receipts and disbursements of the Commission shall  
500 be subject to the audit and accounting procedures established under its  
501 bylaws. However, all receipts and disbursements of funds handled by  
502 the Commission shall be audited yearly by a certified or licensed public  
503 accountant and the report of the audit shall be included in and become  
504 part of the annual report of the Commission.

505 (f) **Qualified immunity, defense and indemnification**

506 (1) The members, officers, executive director, employees and  
507 representatives of the Commission shall be immune from suit and  
508 liability, either personally or in their official capacity, for any claim for  
509 damage to or loss of property or personal injury or other civil liability  
510 caused by or arising out of any actual or alleged act, error or omission  
511 that occurred, or that the person against whom the claim is made had a  
512 reasonable basis for believing occurred, within the scope of Commission  
513 employment, duties or responsibilities, provided nothing in this  
514 subdivision shall be construed to protect any such person from suit or  
515 liability for any damage, loss, injury or liability caused by the intentional  
516 or wilful or wanton misconduct of that person.

517 (2) The Commission shall defend any member, officer, executive  
518 director, employee or representative of the Commission in any civil  
519 action seeking to impose liability arising out of any actual or alleged act,  
520 error or omission that occurred within the scope of Commission  
521 employment, duties or responsibilities, or that the person against whom  
522 the claim is made had a reasonable basis for believing occurred within  
523 the scope of Commission employment, duties or responsibilities,  
524 provided nothing herein shall be construed to prohibit that person from  
525 retaining his or her own counsel, and, provided further, the actual or  
526 alleged act, error or omission did not result from that person's  
527 intentional or wilful or wanton misconduct.

528 (3) The Commission shall indemnify and hold harmless any member,

529 officer, executive director, employee or representative of the  
530 Commission for the amount of any settlement or judgment obtained  
531 against that person arising out of any actual or alleged act, error or  
532 omission that occurred within the scope of Commission employment,  
533 duties or responsibilities, or that such person had a reasonable basis for  
534 believing occurred within the scope of Commission employment, duties  
535 or responsibilities, provided the actual or alleged act, error or omission  
536 did not result from the intentional or wilful or wanton misconduct of  
537 that person.

538 **SECTION 11. COORDINATED DATABASE**

539 (a) The Commission shall provide for the development and  
540 maintenance of a coordinated database and reporting system containing  
541 licensure, adverse action and significant investigatory information on  
542 all licensed individuals in member states.

543 (b) Notwithstanding any other provision of state law to the contrary,  
544 a member state shall submit a uniform data set to the coordinated  
545 database on all individuals to whom this compact is applicable as  
546 required by the rules of the Commission, including:

547 (1) Identifying information;

548 (2) Licensure data;

549 (3) Significant investigatory information;

550 (4) Adverse actions against an individual's license;

551 (5) An indicator that an individual's privilege to practice is restricted,  
552 suspended or revoked;

553 (6) Nonconfidential information related to alternative program  
554 participation;

555 (7) Any denial of application for licensure and the reason or reasons

556 for such denial; and

557 (8) Other information that may facilitate the administration of this  
558 compact, as determined by the rules of the Commission.

559 (c) The coordinated database administrator shall promptly notify all  
560 member states of any adverse action taken against, or significant  
561 investigative information on, any individual in a member state.

562 (d) Member states contributing information to the coordinated  
563 database may designate information that shall not be shared with the  
564 public without the express permission of the contributing state.

565 (e) Any information submitted to the coordinated database that is  
566 subsequently required to be expunged by the laws of the member state  
567 contributing the information shall be removed from the coordinated  
568 database.

569 **SECTION 12. RULEMAKING**

570 (a) The Commission shall exercise its rulemaking powers pursuant to  
571 the criteria set forth in this section and the rules adopted thereunder.  
572 Rules and amendments shall become binding as of the date specified in  
573 each rule or amendment.

574 (b) If a majority of the legislatures of the member states rejects a rule,  
575 by enactment of a statute or resolution in the same manner used to adopt  
576 the compact, such rule shall have no further force and effect in any  
577 member state.

578 (c) Rules or amendments to the rules shall be adopted at a regular or  
579 special meeting of the Commission.

580 (d) Prior to promulgation and adoption of a final rule or rules by the  
581 Commission, and at least sixty days in advance of the meeting at which  
582 the rule will be considered and voted upon, the Commission shall file a  
583 Notice of Proposed Rulemaking:

584 (1) On the Internet web site of the Commission; and

585 (2) On the Internet web site of each member state's EMS authority or  
586 in the publication in which each state would otherwise publish  
587 proposed rules.

588 (e) The Notice of Proposed Rulemaking shall include:

589 (1) The proposed time, date and location of the meeting in which the  
590 rule will be considered and voted upon;

591 (2) The text of the proposed rule or amendment and the reason for  
592 the proposed rule;

593 (3) A request for comments on the proposed rule from any interested  
594 person; and

595 (4) The manner in which interested persons may submit notice to the  
596 Commission of their intention to attend the public hearing and any  
597 written comments.

598 (f) Prior to adoption of a proposed rule, the Commission shall allow  
599 persons to submit written data, facts, opinions and arguments, which  
600 shall be made available to the public.

601 (g) The Commission shall grant an opportunity for a public hearing  
602 before it adopts a rule or amendment if a hearing is requested by:

603 (1) At least twenty-five persons;

604 (2) A governmental subdivision or agency; or

605 (3) An association having at least twenty-five members.

606 (h) If a hearing is held on the proposed rule or amendment, the  
607 Commission shall publish the place, time and date of the scheduled  
608 public hearing.

609       (1) All persons wishing to be heard at the hearing shall notify the  
610 executive director of the Commission or other designated member in  
611 writing of their desire to appear and testify at the hearing not less than  
612 five business days before the scheduled date of the hearing.

613       (2) Hearings shall be conducted in a manner providing each person  
614 who wishes to comment a fair and reasonable opportunity to comment  
615 orally or in writing.

616       (3) No transcript of the hearing is required, unless a written request  
617 for a transcript is made, in which case the person requesting the  
618 transcript shall bear the cost of producing the transcript. A recording  
619 may be made in lieu of a transcript under the same terms and conditions  
620 as a transcript. This subdivision shall not preclude the Commission from  
621 making a transcript or recording of the hearing if it so chooses.

622       (4) Nothing in this section shall be construed as requiring a separate  
623 hearing on each rule. Rules may be grouped for the convenience of the  
624 Commission at hearings required by this section.

625       (i) Following the scheduled hearing date, or by the close of business  
626 on the scheduled hearing date if the hearing was not held, the  
627 Commission shall consider all written and oral comments received.

628       (j) The Commission shall, by majority vote of all members, take final  
629 action on the proposed rule and shall determine the effective date of the  
630 rule, if any, based on the rulemaking record and the full text of the rule.

631       (k) If no written notice of intent to attend the public hearing by  
632 interested parties is received, the Commission may proceed with  
633 promulgation of the proposed rule without a public hearing.

634       (l) Upon determination that an emergency exists, the Commission  
635 may consider and adopt an emergency rule without prior notice,  
636 opportunity for comment or hearing, provided the usual rulemaking  
637 procedures provided in the compact and in this section shall be

638 retroactively applied to the rule as soon as reasonably possible, in no  
639 event later than ninety days after the effective date of the rule. For the  
640 purposes of this provision, an emergency rule is one that must be  
641 adopted immediately in order to:

642 (1) Meet an imminent threat to public health, safety or welfare;

643 (2) Prevent a loss of Commission or member state funds;

644 (3) Meet a deadline for the promulgation of an administrative rule  
645 that is established by federal law or rule; or

646 (4) Protect public health and safety.

647 (m) The Commission or an authorized committee of the Commission  
648 may direct revisions to a previously adopted rule or amendment for  
649 purposes of correcting typographical errors, errors in format, errors in  
650 consistency or grammatical errors. Public notice of any revisions shall  
651 be posted on the Internet web site of the Commission. The revision shall  
652 be subject to challenge by any person for a period of thirty days after  
653 posting. The revision may be challenged only on grounds that the  
654 revision results in a material change to a rule. A challenge shall be made  
655 in writing and delivered to the chair of the Commission prior to the end  
656 of the notice period. If no challenge is made, the revision will take effect  
657 without further action. If the revision is challenged, the revision shall  
658 not take effect without the approval of the Commission.

659 **SECTION 13. OVERSIGHT, DISPUTE RESOLUTION AND**  
660 **ENFORCEMENT**

661 (a) **Oversight**

662 (1) The executive, legislative and judicial branches of state  
663 government in each member state shall enforce this compact and take  
664 all actions necessary and appropriate to effectuate the compact's  
665 purposes and intent. The provisions of this compact and the rules  
666 promulgated hereunder shall have standing as statutory law.

667 (2) All courts shall take judicial notice of the compact and the rules in  
668 any judicial or administrative proceeding in a member state pertaining  
669 to the subject matter of this compact that may affect the powers,  
670 responsibilities or actions of the Commission.

671 (3) The Commission shall be entitled to receive service of process in  
672 any such proceeding and shall have standing to intervene in such a  
673 proceeding for all purposes. Failure to provide service of process to the  
674 Commission shall render a judgment or order void as to the  
675 Commission, this compact or promulgated rules.

676 (b) **Default, technical assistance and termination**

677 (1) If the Commission determines that a member state has defaulted  
678 in the performance of its obligations or responsibilities under this  
679 compact or the promulgated rules, the Commission shall:

680 (A) Provide written notice to the defaulting state and other member  
681 states of the nature of the default, the proposed means of curing the  
682 default and any other action to be taken by the Commission; and

683 (B) Provide remedial training and specific technical assistance  
684 regarding the default.

685 (2) If a state in default fails to cure the default, the defaulting state  
686 may be terminated from the compact upon an affirmative vote of a  
687 majority of the member states, and all rights, privileges and benefits  
688 conferred by this compact may be terminated on the effective date of  
689 termination. A cure of the default does not relieve the offending state of  
690 obligations or liabilities incurred during the period of default.

691 (3) Termination of membership in the compact shall be imposed only  
692 after all other means of securing compliance have been exhausted.  
693 Notice of intent to suspend or terminate shall be given by the  
694 Commission to the governor, the majority and minority leaders of the  
695 defaulting state's legislature and each of the member states.

696       (4) A state that has been terminated is responsible for all assessments,  
697 obligations and liabilities incurred through the effective date of  
698 termination, including obligations that extend beyond the effective date  
699 of termination.

700       (5) The Commission shall not bear any costs related to a state that is  
701 found to be in default or that has been terminated from the compact,  
702 unless agreed upon in writing between the Commission and the  
703 defaulting state.

704       (6) The defaulting state may appeal the action of the Commission by  
705 petitioning the United States District Court for the District of Columbia  
706 or the federal district where the Commission has its principal offices.  
707 The prevailing member shall be awarded all costs of such litigation,  
708 including reasonable attorney's fees.

709       (c) **Dispute resolution**

710       (1) Upon request by a member state, the Commission shall attempt to  
711 resolve disputes related to the compact that arise among member states  
712 and between member and nonmember states.

713       (2) The Commission shall promulgate a rule providing for both  
714 mediation and binding dispute resolution for disputes as appropriate.

715       (d) **Enforcement**

716       (1) The Commission, in the reasonable exercise of its discretion, shall  
717 enforce the provisions and rules of this compact.

718       (2) By majority vote, the Commission may initiate legal action in the  
719 United States District Court for the District of Columbia or the federal  
720 district where the Commission has its principal offices against a member  
721 state in default to enforce compliance with the provisions of the compact  
722 and its promulgated rules and bylaws. The relief sought may include  
723 both injunctive relief and damages. In the event judicial enforcement is  
724 necessary, the prevailing member shall be awarded all costs of such

725 litigation, including reasonable attorney's fees.

726 (3) The remedies herein shall not be the exclusive remedies of the  
727 Commission. The Commission may pursue any other remedies  
728 available under federal or state law.

729 **SECTION 14. DATE OF IMPLEMENTATION OF THE**  
730 **INTERSTATE COMMISSION FOR EMS PERSONNEL PRACTICE**  
731 **AND ASSOCIATED RULES, WITHDRAWAL AND AMENDMENT**

732 (a) The compact shall come into effect on the date on which the  
733 compact statute is enacted into law in the tenth member state. The  
734 provisions, which become effective at that time, shall be limited to the  
735 powers granted to the Commission relating to assembly and the  
736 promulgation of rules. Thereafter, the Commission shall meet and  
737 exercise rulemaking powers necessary to the implementation and  
738 administration of the compact.

739 (b) Any state that joins the compact subsequent to the Commission's  
740 initial adoption of the rules shall be subject to the rules as they exist on  
741 the date on which the compact becomes law in that state. Any rule that  
742 has been previously adopted by the Commission shall have the full force  
743 and effect of law on the day the compact becomes law in that state.

744 (c) Any member state may withdraw from this compact by enacting  
745 a statute repealing the same.

746 (1) A member state's withdrawal shall not take effect until six months  
747 after enactment of the repealing statute.

748 (2) Withdrawal shall not affect the continuing requirement of the  
749 withdrawing state's EMS authority to comply with the investigative and  
750 adverse action reporting requirements of this act prior to the effective  
751 date of withdrawal.

752 (d) Nothing contained in this compact shall be construed to  
753 invalidate or prevent any EMS personnel licensure agreement or other

754 cooperative arrangement between a member state and a nonmember  
755 state that does not conflict with the provisions of this compact.

756 (e) This compact may be amended by the member states. No  
757 amendment to this compact shall become effective and binding upon  
758 any member state until it is enacted into the laws of all member states.

## 759 SECTION 15. CONSTRUCTION AND SEVERABILITY

760 This compact shall be liberally construed so as to effectuate the  
761 purposes thereof. If this compact shall be held contrary to the  
762 constitution of any state member thereto, the compact shall remain in  
763 full force and effect as to the remaining member states. Nothing in this  
764 compact supersedes state law or rules related to licensure of EMS  
765 agencies.

766 Sec. 6. (NEW) (*Effective October 1, 2026*) On and after one year after  
767 the date on which the Recognition of Emergency Medical Services  
768 Personnel Licensure Interstate Compact is enacted in at least one of the

770 the provisions of section 5 of this act, the Commissioner of Public Health  
771 shall require any applicant for licensure or certification pursuant to the  
772 provisions of chapter 384d of the general statutes to submit to criminal  
773 history records checks, including state and national criminal history  
774 records checks, in accordance with the provisions of section 29-17a of
