
OLR Bill Analysis

sSB 411

AN ACT CONCERNING STATE POLICE ASSIGNED TO HIGHWAY CONSTRUCTION PROJECTS.

SUMMARY

Starting the day it passes, this bill requires sworn members of the State Police who are assigned to a Department of Transportation (DOT)-administered highway construction project to be paid at a rate established under an agreement executed between the DOT commissioner and the Department of Emergency Services and Public Protection commissioner. The bill's requirement supersedes existing law that otherwise requires State Police members' salaries to be fixed by the Department of Administrative Services commissioner.
