HB-5001

AN ACT CONCERNING ABSENTEE VOTING FOR ALL AND
VARIOUS OTHER REFORMS RELATED TO THE
ADMINISTRATION OF ELECTIONS.

AMENDMENT

LCO No.: 6007

File Copy No.: 725

House Calendar No.: 348

Senate Calendar No.: 460

OFA Fiscal Note

Potential Cost

The amendment creates mandatory minimum sentences for various election-related offenses, resulting in a potential cost to the Department of Correction and the Judicial Department for incarceration. On average, the marginal cost to the state for incarcerating an offender for the year is \$3,300.¹

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.

¹ Inmate marginal cost is based on increased consumables (e.g., food, clothing, water, sewage, living supplies, etc.) This does not include a change in staffing costs or utility expenses because these expenses would only be realized if a unit or facility opened.
