AN ACT CONCERNING CHILD WELFARE ACCOUNTABILITY
AND TRANSPARENCY.

AMENDMENT

LCO No.: 5382

File Copy No.: 103

House Calendar No.: 97

OFA Fiscal Note

Potential Cost

The amendment requires the Department of Children and Families (DCF) to conduct in-home safety evaluations of any individual under the age of 18 who resides with certain individuals on probation or parole, resulting in a potential cost to the agency beginning in FY 27.

DCF may require additional staff and resources to accommodate the visitation schedules required by the amendment. The extent of the potential cost is dependent on: (1) the number of individuals on probation or parole for certain offenses that share a residence with a child; (2) the length of probation or parole for the individuals; and (3) the duration each child resides with such individuals.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
