OFA Fiscal Note

No Fiscal Impact

The amendment removes the requirement for children attending a nonpublic school to provide evidence of such attendance, which has no fiscal impact to school districts as it does not change the potential costs to school districts associated with the bill's requirements.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
