OFA Fiscal Note

No Fiscal Impact

The amendment requires the Office of the Child Advocate (OCA) to complete a report concerning the Department of Children and Families' work from home policies and the policies' effects on children's safety, resulting in no fiscal impact to the state or municipalities. There is no fiscal impact because OCA currently has the resources and expertise required to complete the report.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
