

**THIS MEETING DID NOT CONTAIN A PRESENTATION – UPDATES AND
DISCUSSION**

JJPOC Cross Agency Data Sharing

September 19th, 2022

9:30AM-11:00AM

Virtual Meeting - ZOOM

Meeting Summary:

- o SACK Grant Approved by feds
 - o 3-year funding for *Equity Dashboard Project*
 - o Hoping for full update to JJPOC by October
 - o Trying to get rid of uploads to the cloud
 - o Goal is to help limit anecdotal evidence/comments
- o Data sharing workgroup – presents in Nov/Dec to JJPOC
 - o Primarily focused on incarceration, recidivism, & diversion
- o Presentation on use of chemical agents being moved
 - o Was in October, now in November
- o Dashboard should be ready for demos in October
- o Risk Category Data – Youth Profile
 - o Data on risk level being pulled from *Predict Risk Screening Instrument*
 - o Data collection varies depending on how deep youth goes into the system
- o Possible examination of the measure of dual status/multi-level youth in 2023; DCF
- o Look at recidivism rates in the context of diversion measures
- o Lower-risk kids are not coming into system; raises aggregate risk level of kids in system
 - o Provide context for these children
- o Dr. Danielle Cooper – Health, Housing, Education, & Justice Survey
 - o Looking at minors who came into contact w/ JJ system
 - Focused on people 24 or younger; adjudicated guilty/convicted
 - o Struggle to get data due to the various sources for adult data
 - o In discussion with state agencies regarding upcoming MOA
 - *Judicial Branch; DCF; DOC*
 - o Goal is to obtain a firm agreement with agencies by end of year
- o Should be one person from each agency to act as a liaison for data/info shared in other workgroups

Next meeting: 11/21/22; 9:30AM
