Meeting Summary:

- **CYSA July JJPOC presentation preview**
  - Draft for next measure is ready and is under review by OPM's key partners.
  - An overview of the website was shared.
  - A presentation outline was presented.
  - Both directors from YSB and JRB will be present. As well as an adult who at one time has gone through the JRB process to give a little bit of insight and talk through that process.
- **Review of Upcoming Spotlights**
  - July: JJPOC
  - September: DOC
  - October: Possible dual-involved youth conversation
  - November: Annual report
  - December: Recommendations
- **P20 WIN updates**
  - Public Act 24-45 had two sections that were specific to P20; The first section tasked the executive board to develop a plan to establish a statewide data intermediary that will provide technical support, establish data sharing agreements, and build and maintain some sort of infrastructure to share data among nonprofits. The other section is the OPM will recreate the annual report on disconnected use that will be based on the report that the Dalio Foundation released last fall.
