Meeting Summary

The Incarceration workgroup reviewed the June JJPOC meeting, where the Racial and Ethnic Disparities, Education, and Diversion workgroups all provided updates to on their plans for the remainder of the year.

The Incarceration workgroup then discussed their own future plans. There was a general consensus among the workgroup to wait for the Council of State Governments to present their recommendations to the IOYouth Task Force first and then proceed from there. This recommendations presentation will be held in July for the IOYouth Task Force to vote on. CSG has taking into account the recommendations presented by CCLP earlier last year. As a result, some of the CCLP recommendations may be incorporated with the ones CSG will be presenting.

The Incarceration workgroup has will wait for the CSG recommendations and redistribute the CCLP report for review, in hopes of identifying priority areas that the workgroup should focus their future efforts on.
