

Department of Rehabilitation Services

Amy Porter, Commissioner

February 19, 2016

DORS Priorities

*MISSION: Maximizing opportunities for people in Connecticut with disabilities to **live, learn and work** independently*

- Reduce barriers to employment for people with disabilities
- Maximize ability for people with disabilities to live independently
- Ensure equal and accessible education for children with disabilities
- Reduce reliance on state public assistance and unemployment benefits
- Maximize federal funding and other funding sources
