Total	10,930	130,579,996	129,905,156

Updated Demographic Data:

Updated Need Student Count FY23	13,325
Budgeted Need Student Count FY23	13,641
Difference	(316)

The Governor's proposed Midterm budget funds the same number of charter school seats for FY 2023 session. It includes the seats approved for the continued expansion of Stamford Charter School for Excellence is reflective of a change in the demographics of the students currently enrolled. The updated demographic Count by 316 students which led to a lower grant calculation.
