**What is TCB?** The Transforming Children’s Behavioral Health Policy and Planning Committee (“TCB”) was established in 2023 by Public Act 23-90 and mandated by the law to evaluate the availability and effectiveness of prevention, early intervention, and treatment services for children's behavioral health, substance use disorders, and general well-being of children. The TCB has four workgroups open to the public; System Infrastructure, Services, School Based, and Prevention. These workgroups all have different priority areas, strategies and purpose statements. Please refer to the Workgroup Descriptions document to learn more.
