

Manufacturing Technology Working Group

The background of the slide is a dark blue field filled with numerous glowing blue circles of varying sizes, creating a bokeh effect. Overlaid on this are intricate, glowing blue lines that resemble a complex circuit board or a network diagram. These lines originate from the left side of the frame and branch out towards the right, connecting to various points that look like nodes or data centers. The overall aesthetic is high-tech and futuristic.

Substitute Senate Bill No. 1021
Special Act No 21-24

Meeting 14
March 2, 2022
