

Manufacturing Technology Working Group

The background of the slide is a dark blue field filled with numerous glowing blue circles of varying sizes, creating a bokeh effect. Overlaid on this are intricate, glowing blue lines that resemble a complex circuit board or a network diagram. These lines start from the left side and branch out towards the right, connecting various nodes. Some nodes are simple points of light, while others are larger, more complex shapes. The overall aesthetic is high-tech and futuristic.

Substitute Senate Bill No. 1021
Special Act No 21-24

Meeting 17
Apr 26, 2022
