

# Manufacturing Technology Working Group

The background of the slide features a complex network of glowing blue lines and nodes. These lines originate from the left side and branch out towards the right, creating a sense of depth and connectivity. The nodes are represented as small, bright blue spheres, some of which are larger and more prominent than others. The overall aesthetic is high-tech and digital, with a color palette dominated by various shades of blue.

Substitute Senate Bill No. 1021  
Special Act No 21-24

Meeting 21  
July 6, 2022
