Mission

The mission of the Connecticut Health Data Collaborative (CHDC) is to identify stakeholders' competitive advantages in the health and health IT sectors, establish and achieve collaborative, strategic goals that will strengthen our state, attract new investments, and create jobs.

The background is a solid blue color. On the left side, there is a faint, semi-transparent image of a hand holding a stethoscope. On the right side, there is a grid of blue hexagons, each containing a white medical icon. The icons include a heart, a clipboard with the word 'MEDICAL' above it, a person silhouette, a first aid kit, a syringe, test tubes, a wheelchair, a network diagram, and a large plus sign.
