

STATE OF CONNECTICUT
DEPARTMENT OF EMERGENCY SERVICES & PUBLIC PROTECTION

GENERAL BONDING SUB-COMMITTEE
MARCH 29, 2021

Good afternoon, Senator Moore, Representative Borer and distinguished members of the General Bonding Sub-Committee. I am Commissioner James C. Rovella of the Department of Emergency Services and Public Protection.

Thank you for affording the Department this opportunity to appear before you today to discuss Governor Lamont's proposed new bonding authorizations for DESPP in FY 2022 and FY 2023. We would like to thank Governor Lamont for his continued support of the Department with these important proposed authorizations.

Proposed Authorizations:

- Alterations, renovations, improvements to buildings and grounds, including utilities, mechanical systems, and energy conservation projects

FY 2022-\$10,700,000

FY 2023-\$28,2000,00

- School Security Infrastructure Competitive Grant Program

FY 2022-\$5,000,000

FY 2023-\$10,000,00

- Upgrade and replacement of the Connecticut Land Mobile Radio Network

FY 2022-\$39,000,000

Once again thank you, and we are prepared to answer any questions you may have regarding Governor Lamont's proposed authorizations.
