

I am Gail Janensch, Bridgeport CT 06604.

I am in support of LCO 3576 here > ["AN ACT CONCERNING ABSENTEE VOTING AT THE 2020 STATE ELECTION AND ELECTION DAY REGISTRATION"](#). I am 77 years old and while Covid 19 free at this time, I will use the opportunity to vote by mail offered for the August 11, 2020 Primary via the Secretary of the State and Gov. Lamont. Now, I urge my own Representative Hennessy and Sen. Marilyn Moore to support mail voting for the November Presidential Election. In Bridgeport we have had years of abuse of the regular Absentee Ballot process whereby individuals take out hundreds of applications and then enter various housing units and places where older voters live to try to influence the completion of ballots. These corrupt individuals know when they handed to the applications to be able to guess when the ballots will be returned. They that's what these individuals do: knock on doors and offer advice about who to vote for. LCO 3576 will be a more fair way for all registered voters to have a chance to vote safely and securely. Please vote YES
