Dear Distinguished members of the GAE Committee, **I am writing to ask you to pass LCO #3576** and permit voters to vote by absentee ballot during the entire pandemic. Voters should not have to choose between protecting their health and exercising their right to vote. It is a privilege as a registered voter to vote in all elections. This pandemic is a threat to my health on a daily basis. I have been using a mask in public, limiting my contact with individuals at a safe distance since early March. I am 64 years of age and have asthma. Please allow me to continue to be safe and protect my health by voting in favor of #3576 which will permit voters to vote by absentee ballot as long as this pandemic gravely threatens our wellbeing. Sincerely, Gloria Jackson
