

Kristianna Smith
New Britain

Dear Legislators,

We are still in the middle of a global pandemic. To not expand absentee ballots in this moment is 1) a risk to public safety 2) an infringement on people's right to vote 3) a purposeful obstacle to discourage public participation in voting.

There is nothing more to say.

Extend absentee ballots. The infrastructure already exists, let's use it.

Thank you for your time,
Kristianna Smith
