On behalf of the 7 Jewish Federations across Connecticut, we are respectfully requesting your support of LCO 3576, AAC Absentee Voting at the 2020 Election and Election Day Registration legislation. The COVID pandemic has turned the simplest tasks of daily life into risks. One of those simple tasks is voting. Everybody who wants to vote should be able to do so. However, the virus has jeopardized that. Waiting in line for any amount of time is putting people at risk of getting sick, or even worse, dying.

JFACT supports this legislation because it allows absentee ballots to anybody who wants one for this coming election in November. This would allow people to fulfill their civic duty while staying safely at home.

If you have any questions, please feel free to contact me.
