

Committee members,

My name is Richard W. Mayhew and I live in Plantsville, Ct. I feel as if I'm living in Virginia, with a Governor and Democratic majority Legislature " HIJACKING" our State and U.S. Constitution by passing "secretly" written bills with "un-announced" "listening" sessions, to erase our RIGHT TO A FAIR AND LEGITIMATE ELECTION!

The Secretary of State is an APPOINTED, POLITICAL position. This bill will give powerful and sweeping authority to RIG any election the Secretary sees fit to rig! Covid-19 is being made into a "political weapon" to invalidate our rights to a fair election process! There is NO legitimate reason to mail absentee ballots to all Connecticut voters, not to mention the COST to our wallets! Someone coughs so they now can vote absentee! How is their Covid-19 VERIFIED? Oh, we accept their word on it!

The "virtual" procedures our Governor and Democratic leaders are using are UNCONSTITUTIONAL! I can only guess what "third party" will be chosen by the Secretary! EIGHT O'CLOCK P.M. MEANS JUST THAT! Un-like our last "election", the doors should close @ 8:00 PM with no "mass" swearing the oath given!

Richard W. Mayhew
