

My home address is 403 Stanwich Rd. Greenwich CT and I have been a registered voter in Greenwich since around 1970. I am 89 years old and the principal caretaker of my wife, Ruth Mushkin, a registered voter. She can get an absentee ballot because of her health. It is difficult for me and hazardous for her to have to go to the poles to vote. We are among many people of similar circumstances. Vote for LCO #3576.
