

Dear Distinguished Members of the Judiciary Committee:

I am writing to ask you to pass LCO #3576 and permit voters to vote by absentee ballot during the entire pandemic.

Voters should not have to choose between protecting their health and exercising their right to vote.

I am high risk and have essentially not left the house for over 4 months - I will not be able to go out to polls to exercise my right to vote and therefore would like to vote by mail - the same method the current President used to vote.

Thank you,
