Subject: LCO 3576 Absentee Ballots

Please fully and truthfully answer these questions before approving or not approving the proposal for LCO 3576 Absentee Ballots:

1. What is the problem that this proposal is trying to correct?
2. What are the root causes of the problem?
3. Does this proposal adequately address and correct the root causes of the problem? Please tell us how the proposal solves the problem.
4. Does this proposal actually create more problems than it solves?

I am very interested in reading your detailed answers to the above questions. Please make sure to provide your detailed answers to the news media for the residents of Connecticut to read and understand.

Thank You,

Todd Gelston
