Dear Senator Flexer and Representative Blumenthal:

I would like to express my support for the land conveyance request submitted by the Town of Cheshire for approximately 2.5 acres of wooded property at 1996 Highland Ave. In 2019, the adjacent 59 acres was conveyed to the town for economic development properties. The addition of these 2.5 acres would expand the potential for development.

Currently, this property is owned by the State Police and the building on the property is occupied by the Office of the Inspector General. My staff met with Sean Kimball, Town Manager, Robert Devlin, the Inspector General, and representatives from the State Police. Neither office objects to this conveyance and both expressed that they have no current or planned use of the wooded portion of the property.

The approval of this conveyance will contribute to greater economic development opportunities for Cheshire. Thank you for your consideration.

Warmly,
