CONNECTICUT GENERAL ASSEMBLY CONVEYANCE QUESTIONNAIRE

1. Please submit the following documents:

A. The best available legal map of the property.

Attached.

B. An appraisal of the value of the property. If an appraisal has not been prepared, please indicate the estimated value of the property and the methodology used to calculate such estimated value.

No appraisal has been prepared. The land has no usable value, as it sits between Interstate 84 and a developed commercial parcel. It will not add substantial value to the acquiring entity's parcel.

2. Is this conveyance based upon prior legislation? For example, are you attempting to repeal or amend a prior conveyance or was this request drafted in a bill that was not passed by the legislature? If yes, please give the bill or special act number and year, if known.

No.

3. Please answer the following questions:

A. What are the tax assessor's map, block and lot numbers for the property? If such numbers do not accurately describe the property, please provide a metes and bounds legal description of the property.

Town of Bethel Map 59 Block 108 Lot 07

B. What is the acreage of the property?

0.4 acres

C. Which state agency has custody and control of the property?

Unknown; Department of Transportation has disclaimed control.

D. What costs, if any, would the state incur if the property were conveyed? (e.g. if the property abutted a highway and needed to be fenced off.)

None.

- E. How much would the municipality or entity receiving the property agree to pay for it? (e.g. the administrative costs to the state of making the conveyance; a specific dollar amount; or fair market value)

Although the parcel has no usable value, the acquiring entity is willing to pay \$25,000.00 administrative costs to the state of making the conveyance.

- F. How will the municipality or entity receiving the property use it? (e.g. open space, recreational, housing, economic development)

Economic Development - to facilitate the construction of a hotel on adjoining property.

- G. If the municipality or entity receiving the property has a specified use for the property, would it agree to a provision in the conveyance legislation that, if the property is not used for such purpose, it shall revert to the state?

Yes, if required, but this would be cumbersome for any future conveyance.

- H. Has the municipality or entity asked the state agency that has custody of the property to convey the property to the town or entity (i.e. through an administrative rather than legislative process)?

The agency in control cannot be identified.

- I. If the answer to question (H) is yes, please indicate the status of such administrative process and why legislation is needed.

- J. Has a title search of the property been conducted?

Yes.

- K. Are there any deed or other restrictions on the use of the property? If so, please specify.

No.

- L. Please state the name of the municipality or entity that would receive the property.

Gayatri Corporation
