TAP Co-Managers

Lauren Doninger
Professor of Psychology
LAS Program Coordinator
Gateway Community College

How many CT Community College students transfer to a CT Public Four-Year?

- All community colleges transfers
 - CSCU 4-year school: 4,761, or 41.4%
 - University of Connecticut campus: 1,774, or 15.4 %
 - **56.8% transfer to a CT public four-year school**
- Community College transfers after receiving an associate degree
 - CSCU 4-year school: 1,430, or 51.7%
 - University of Connecticut campus: 403, or 14.6%
 - **66.3% of students who transfer after completing an associate degree go to a CT public four-year school**

Academic year 2012-2013

Guaranteed Admission Program (GAP) from CT Community Colleges to UCONN

GAP functions like a **dual admission** program.

- Students apply before 30 transferrable credits in their community college program and receive a letter of acceptance from UCONN
- Students are closely advised at the CC

Transfers to many degree programs

- All majors in College of Liberal Arts & Sciences and School of Business
- Select majors in College of Agriculture, Health, & Natural Resources
- A separate program, the College of Technology, offers a potential pathway to School of Engineering

Requirements, benefits and hallmarks

- Students must meet specific GPA requirements and course completion requirements
- Upon transfer, students receive priority registration and guaranteed housing
- Many students are eligible for the \$4000 President-to-President scholarship (renewable for a second year)
- Careful maintenance of GAP via Oversight Committee meetings held each semester
- High school students not accepted to UCONN are encouraged to attend a local CC and apply to GAP

Connecticut State Colleges and Universities Transfer Tickets

- **Transfer Tickets** are degree programs for Connecticut Community College students who transfer to Connecticut State Universities and Charter Oak without either losing any credits or requiring extra credits in order to complete a bachelor's degree in that same discipline
 - Select programs may have additional admission requirements. CT Community College students have the same application opportunities as CSU native students.

Transfer Tickets Available

BY MAJOR

BY CAMPUS

HELP ME CHOOSE

Transferring at CSU is easier than ever. Counselors are available in all 17 institutions to help make the process as smooth as possible.

What are Transfer Tickets

Transfer Tickets are degree programs for Connecticut Community College students that transfer to Connecticut State Universities and Charter Oak without either losing any credits or being required to take extra credits in order to complete a bachelor's degree in that same discipline. Select programs may have additional admission requirements.

[How the Program Works](#)

Start

Start with an Associate's from a Connecticut Community College

Finish

Finish with a Bachelor's from a CT State University or State College

[Search Tickets](#)

Tickets by Major

Community College students can complete associate degree programs that transfer without hassle to all Connecticut State Universities and Charter Oak State College offering their major. Upon transfer, students are guaranteed full Junior status and can complete a bachelor's degree in their major without losing any credits or being required to take extra credits.
