Naugatuck Valley Community College offers quality, affordable education and training in response to evolving community needs by providing opportunities to individuals and organizations to develop their potential. NVCC is an engine of change within Waterbury, Danbury and the broader communities which it serves.

With two campuses; Waterbury and Danbury, the College continues to partner with Safe Haven and the Women's Center of Danbury to help communicate to and educate our students on sexual assault and domestic violence in an effort to encourage appropriate behavior on our campuses and continue to provide a safe environment for students to achieve their academic goals.

Expanding outreach to students and working with our community partners, the College provides a regular forum for students to engage in conversation around healthy relationships, sexual assault, compassion and inclusion, and more. While Covid temporarily impacted in-person conversations for the vast majority of 2020, the College, with support from our community partners, did pivot to virtual workshops.

In addition to the Campus Conversation series, the College continued to offer online training modules to supplement campus efforts to effectively educate students on sexual assault and domestic violence prevention. Providing a safe, nurturing environment in which students can focus on their academic studies is paramount to student success.
