We have worked to increase the awareness of reporting avenues and opportunities for our students and saw great deal of reports from students who did not experience Sexual Assault, IPV or Stalking on campus or associated perpetrators, but reached out to SHU for resources and support. We were able to implement a great deal of support any student reporting these types of experiences. In similar fashion, we also saw an uptick in Anonymous Reports forward with a disciplinary case, many hours were spent coordinating supportive measures and resources for the and other similar accommodations.
