

Testimony on Draft LCO#3471:

My name is Donn Herindeen Jr. and I reside at 54 Willington Hill Road in Willington. As a Vietnam veteran and life long police officer in our State I urge you to protect our current officers and retain their qualified immunity. This is critical to all future public safety needs by every one of us in this State. We ask and expect enormous risks of our police officers and firefighters and nurses. We owe them our support. My son in law is a Trooper. Served two tours in Iraq and one in in Boznia. Please offer him your support and deny the passage of this sickening proposed bill.

Thank you
