

I am sick of all the regulations and accountability restrictions put on the police, because of the so called "peaceful" demonstrations. I don't know how anybody can do what you legislators expect of the police to be able to perform their duties with all the pressure you put on them. You make it easy for the criminals. How many legislators read every word in this draft? I suspect quite a few. Police are taking a beating and it has to stop!! Let them do their work!
