

Dear Connecticut Legislators,

I am writing to share my support for "An Act Concerning Police Accountability." Specifically:

- Granting power to establish Civilian Review Boards with Subpoena powers
- Outlawing searches without probable cause
- Outlawing police officers from asking for documents other than a driver's license during traffic stops
- Mandating that officers intervene if they witness another officer using excessive/illegal use-of-force
- Ending qualified immunity for officers who violate a person's civil rights
- Banning stop-and-frisk
- Demilitarizing CT police departments, and disposing of all military equipment currently held by police departments
- Requiring police officers to prominently display their badges

I disagree with,

- Increasing funding for police departments.
- The high ratio of police officers and politicians on the Police Officer Standards and Training Council.

Thank you for your time.
