

We strongly oppose Police Accountability Act Draft LCO #3471. My wife and I are residents of Trumbull, CT where we have always felt very safe in our community. We have always supported our local and state police departments and we wish to continue to do so. We don't want to see laws go in to effect that will make their jobs more difficult. If qualified immunity is taken from them, it will only end up hurting the residents of CT as officers will most likely choose to look the other way as to avoid risking a frivolous lawsuit that could destroy them. We feel that the "Bad Apples" can and should be dealt with on an individual basis. We ask that you please DO NOT penalize an entire group for the rare actions of a few.

Thank you,

Pete and Dana Parillo
