Subject: Should Court Officials Engaging in Criminal Acts Be Asked if They Should be Investigated?

Importance: High

Chief States Attorney Colangelo,

Please confirm if it's the official policy of the Office of the Chief State's Attorney to contact government and court officials accused of criminal misconduct and violations of law to seek their personal opinions if they should be investigated.

Thank you

Subject: Criminal and Judicial Misconduct Breeds Corruption and Injustice
 Chief States Attorney Colangelo,

In light of your public comments and promises during this afternoon's Facebook livestream to take criminal complaints more seriously, perhaps you can start your efforts by opening an investigation into the below and the **criminal destruction of court records** at the hands of court employees in my and my wife's cases?

To retaliate against us for our public testimony and advocacy work.

Yes, let us all come together and do better. **And promote accountability.**
Instead of allowing cover ups of criminal misconduct.

Thank you
