I am sickened that you are even doing this. Yes, there are some police officers who should not be there, just like in any department. School teachers, nurses, doctors, etc. This does not mean the police as a whole are all bad. I totally support our police department and am tired of all this crap that is allowed to go on. We have become a society who rewards bad behavior and allows those that are destroying our property to go free but then crucify our police for doing their ajob. Very sad. I will vote REPUBLICAN from now on.
