MAY 2 - DIVERSITY IN POLICING
1PM EST | REGISTER HERE

Sessions will be held virtually-
via zoom

Join the conversation to discuss the Police Transparency & Accountability Task Force's final report, why it matters, and what the next steps are.

These conversations will center around primary/secondary stops with regards to racial profiling, police interactions with the disability community and the role of social workers, and diversity in policing.

There will be a panel discussion with many opportunities for Q & A with audience members.
