Good Afternoon Correction Advisory Committee. The times that I have spoken to the Ombudsman, I can tell that he is someone who is passionate about helping people who are being oppressed. He keeps his word, if there is something he can do he will do it and he handles everything in a timely manner. I believe that this committee has made a Great decision by appointing Mr. Ward as the Ombudsman. I believe with him having more helpers, They can help correct allot of the violations of inmates rights that occur on a daily. Sincerely Christopher I. Calhoun
