**Testimony:**

Hello, I'm writing to share my testimony about the cruel and unusual punishment I've experienced the whole 4 years and 4 four months I've been incarcerated. I was discharged from Bridgeport hospital with paperwork from a doctor instructing me that I needed surgery on my left leg, in which my ligaments were torn. I've gained an excessive amount of weight because I've been denied medical treatment the whole time. I can't exercise because any wrong movement the up and lower half of my leg slips apart. I would really appreciate any assistance in this matter. Thank you.
