Hello,

To whom it may concern,

My name is Luis Morales #363944
and these are the following
conditions inmates in NHCC are
and have been living in;

[Mice, Rust, old beds, no cable outlets,
No spanish channel, No library, No native
American Service, No Privacy, No extension
cords, ect.]

They ^{staff} do screen checks everyday, twice
a day to look in our cells without
any cause. I think its just an excuse
to harrass us without getting in trouble.

The mice get to our commissary and
we have to throw the Food away
without recompensation.

The walls are dirty with old human
Fluids and chipping paint.

The list goes on. Thank you For taking
the time to read this. God Bless You
