**Testimony:**

May G-D watch over and protect the Correction Advisory Committee,

I ask you and the ombudsman to seek the eternal truth of G-D. His truths which speak to me say that you need the report to explore how many transgender surgeries take place in our prisons. I do not want my taxpayer dollars to fund transgenders. The Bible does not say Isaac becomes Isha. A man can not become a woman or a woman a man. No one in prison should get my taxpayer dollar surgeries. Please investigate and stop these unholy acts.

In G-Ds love,  
Rev. Ernestine Holloway
