| SAFE Indicator Status Years Disaggregations (Race/Ethnicity; Age; Gender; FRPM; ELL; SPED; Other) Story	Issues	Recommended Action Indicator: Keep/Revise/Replace Disaggregations: Which Essential Story: Who Draft/Who Review Data Development: Sources
Child Abuse and Neglect Cases/1,000 2007-2013 By A, R/E Draft Story by DCF	Explain impact of FAR	
Referrals to Juv. Court for Delinquency (#) 2006-2013 By R/E Draft Story by CSSD	Add Other Race, Gender, Type disaggregations	
Unexpected Deaths, all causes Age 0-18 (#) 2001-2013 By Cause Draft Story by OCA	Add Race, Age, Gender disaggregations Explain small number limitations	
Childhood ER Visits All Causes per 100,000 2005-2012 By A,R/E, G, Reason Draft Story by DPH	Time lag	
High School Students Who Don't Feel Safe (%) 2007-2013 No Disaggregations No Story	Survey limitations Need R/E, G disaggregations	
ER Visits Traumatic Brain Injury per 100,000 2005-2012 By A, R/E, G Draft Story by DPH	Time lag	
Data Development:	Children who are victims of human trafficking Also Consider: School Arrests School Discipline School Restraints and Seclusion	

STABLE Indicator Status *Years* *Disaggregations (Race/Ethnicity; Age; Gender;* *FRPM; ELL; SPED; Other)* *Story*	Issues	Recommended Action *Indicator: Keep/Revise/Replace* *Disaggregations: Which Essential* *Story : Who Draft/Who Review* *Data Development: Sources*
Students Chronically Absent %) 2007-2013 A, R/E,FRPM, ELL, SPED Draft Story by SDE (updated version not published)	Early years of data less reliable Pre-school attendance data not compiled Consider CA SAG work	
Children Living with Family Where No Parent has full time, year-round employment (%) 2004-2010 No Dissaggregations No Story	Time lag Consider alternative census indicator with available disaggregations (both parents unemployed)	
Renters Spend More Than 30% of Income on Housing (%) 2000-2010 No Disaggregations No Story	Time lag Consider alternative census indicator with available disaggregations (renters/owners spending more than 30%)	
Families with Not Enough Money to Buy Food (%) 2008-2012 No Disaggregations No Story	Time lag Any disaggregations available Consider alternative for food insecurity	
Children in Out of Home Placement per 1,000 2001- 2011 No Disaggregations No Story	Time lag Consider dropping/moving to SAFE domain	
Children Living in Single Parent Household 2000-2012 No Disaggregations No Story	Time lag Any disaggregations available	
Children Eligible for Free/Reduced Lunch (%) 2005-2014 No Disaggregations No Story	Any disaggregations available	
SNAP Participation (per 1,000) 2000-2010 No Disaggregations No Story	Time lag Any disaggregations available	

Homeowners Who Spend More Than 30% of Income on Housing (%) 2009-2012 No Disaggregations No Story	Time lag Consider alternative census indicator with available disaggregations (	
High School Students Who Ate Meals With Their Family (%) 2005-2013 By R/E, G No Story	Survey limitations Add "other race" disaggregation	
High School Students Who Agree Their Family Loves and Supports Them (%) 2005-2013 By R/E, G No Story	Survey limitations Add "other race" disaggregation	
Data Development:	School Transiency Family Homelessness/Housing insecurity Domestic Violence Incarcerated Parent(s) Children Living with Teen Parent Income inequality	

HEALTHY Indicator Status Years Disaggregations (Race/Ethnicity; Age; Gender; FRPM; ELL; SPED; Other) Story	Issues	Recommended Action Indicator: Keep/Revise/Replace Disaggregations: Which Essential Story : Who Draft/Who Review Data Development: Sources
Babies Born at Low Birth Weight (%) 2005-2011 By R/E Draft Story by DPH	Time lag	
Children Who are Obese(%) 2008-2012 By R/E, G, A No Story	Survey limitations Consider alternative indicator (based on school physical forms) Consider Obesity Task Force work	
Children with Health Insurance (%) 2005-2009 By R/E No Story	Time lag Data reliability Consider alternative indicator (ACS those without insurance coverage) or HUSKY data	
Two-Year Olds with Appropriate Immunizations (%) 2005-2010 No Disaggregations No Story	Clarify time lag (year child born) Add available disaggregations (if any)	
Asthma-Related ER Visits per 10,000 2005-2012 By R/E, G Draft Story by DPH	Time lag Add age disaggregations	
Children with Asthma (%) 2005-2012 By R/E, G Draft Story by DPH	Time lag Add age disaggregation Consider eliminating from report card (keep in CTData.Org)	
High School Students Who Seriously Considered Suicide (%) 2005-2013 By R/E, G No Story	Survey limitations Consider alternative mental health indicators/review Mental Health Task Force Work and new Behavioral Health Plan	
Data Development:	None listed but consider: Substance Abuse (drugs, alcohol, tobacco) MH Treatment Needed and Received ER Visits for Psychiatric Care Consider adding child fatality rate (all deaths not just unexpected/unexplained)	

FUTURE SUCCESS Indicator Status *Years* *Disaggregations (Race/Ethnicity; Age; Gender; FRPM; ELL; SPED; Other)* *Story*	Issues	Recommended Action *Indicator: Keep/Revise/Replace* *Disaggregations: Which Essential* *Story: Who Draft/Who Review* *Data Development: Sources*
3rd Graders At/Above CMT Reading Goal (%) 2006-2013 By A, R/E, G, FRPM, ELL, SPED Draft Story by SDE	Indicator changes possible (not all using CMT)	
Students Who Graduate on Time (%) 2009-2013 By A, R/E, G, FRPM, ELL, SPED No Story		
Children Living in Poverty (Households Under 100% Federal Poverty Line) (%) 2003-2013 By R/E No Story		
Kindergartners Needing Substantial Instructional Support (%) 2009-2012 By A, R/E, G, FRPM, ELL, SPED No Story	Small number schools not using measure so no statewide data Indicator change possible (different school readiness measure)	
Kindergartners Previously Enrolled in Pre-School (%) 2003-2013 No Disaggregations No Story	Need all disaggregations	
Population Age 25+ With At Least Associate Degree (%) 2007-2013 By G No Story	Note change from original age group (25-34 year olds) to obtain disaggregations Add R/E	
Teens (16-19) Employed or in School (%) 2005-2013 By G No Story	Note change from original age group (16-24) to obtain disaggregations Add R/E	

8th Graders At/Above CMT Reading Goal (%) 2006-2013 By R/E, G, FRPM,ELL, SPED No Story	Indicator changes possible (not all using CMT)	
8th Graders At/Above CMT Math Goal (%) 2006-2013 By R/E, G, FRPM,ELL, SPED No Story	Indicator changes possible (not all using CMT)	
3rd Graders At/Above CMT Math Goal (%) 2006-2013 By R/E, G, FRPM,ELL, SPED No Story	Indicator changes possible (not all using CMT)	
Births to Mothers Less Than Age 20 (%) 2000-2011 By R/E (2005-2011) No Story	Time lag	
Data Development:	Youth Completing Vocational Certificate/Professional Licensure Infants/Toddlers Achieving Developmental Milestones Infants/Toddlers Identified for Services Who Are Receiving Them Youth Unemployment SPI
