- 3. Quarterly Report: Safe Domain (9:30-10:40)**
  - a. Discussion of Strategies and Program Drill Downs**

Programs for Drill Down are **state programs** that are **currently being funded** and have the potential to impact indicators. Programs should be able to answer the following questions: **How much did the program do? How well did the program perform? Is anyone better off from the program?** We have to find out what programs work and what programs are not working so we can reallocate resources to programs that are working and very well could have been cut and not keep expending funds to programs that don't work.

**Example:** Indicator - Abuse and Neglect; Potential Program - Family Assessment Response (FAR)

- i. Abuse, Neglect All Types 0-17
- ii. Juvenile Delinquency
- iii. Unexpected Deaths
- iv. Students Restrained or Secluded in School
- v. High School Students Who Do Not Feel Safe
