

SUPPORT FOR GRANDPARENT VISITATION RIGHTS LAWS
IN THE STATE OF CONNECTICUT

We are aware of the bill that Senator Handley will be authoring which would allow grandparents to petition the court for visitation when certain circumstances exist.

It is common knowledge that children who have strong, loving adults in their lives thrive. Grandparents can be that strong, loving adult for a child.

I fully SUPPORT Senator Handley's upcoming bill (2010) and thank her and all of the legislators for their support of the grandparent/grandchild relationships.

Sincerely,

Address:
